Dear Team White Leopard,

Thank you so much for participating in *Matsuri! A Samurai Celebration*, at the Kimbell Art Museum on June 21, 2014. The event was an enormous success with over 8,000 visitors to the Museum that day, which exceeded our expectations. Your performance and participation in the proceedings were a wonderful addition to the event and we appreciate working with you. Best wishes for your group and I hope to see you again at the Kimbell.

Sincerely,

Barbara Smith
